**If you are currently in 2nd thru 7<sup>th</sup> grade this year, you are eligible to participate in the Catholic Grade School Conference football league at St. Patricia Parish this coming fall. The program is open to all students at St. Patricia, and those students who attend St Pats, Sacred Heart and St. Fabian’s CCD programs.**

Our program opens many doors for all participants. I want to present you with all that our program has to offer and hopefully encourage you to come out for something more than just saying you participated in a sport. Football offers so much more. It is more than just being a participant in a game. It builds character, self-esteem, friendships and relationships that sometimes last a lifetime. One of the strongest points we have witnessed is the self-confidence the players develop over a short period of time and the role it plays in peer pressure. It may not turn a follower into a leader, but it may certainly give them the courage to stand up and say “NO” when it counts. It shows how teamwork and preparation is so important and it is unlike any other sport. We have seen so many players go through the program. Some of those have come in very meek and humble while others have come in very bold and physical. Both very different but in the end realize how important each other’s role plays in overcoming what may seem like an insurmountable task some weeks. The camaraderie continues into high school. They are given unique opportunities introducing them to local high schools, teachers, and coaches, which may make your decision as a family easier. This adds to their comfort level and eases the transition from grammar to high school.

Football is open to all who students who will be in 3<sup>rd</sup> thru 8<sup>th</sup> grades in the fall of 2009. The program is open to all students at St. Pats, and those students who attend St Patricia and St. Fabian’s CCD programs. If you have any questions or concerns please call me.

If for any reason you are unable to commit at this time, there will be upcoming registration dates in early August. Simply fill out the information below, return via email or call to reserve a roster spot. There are limited roster sizes. Please refer to the church bulletin for any updated information as the summer progresses. Practice will begin August 3<sup>rd</sup> and participants can register anytime until the 1<sup>st</sup> week of September when final rosters are due. Remember there is no hard commitment required and if your son feels it’s not for him all fees are refunded until the official weigh-in in September; try it, they may like it!!
